**Scholarship Award Announcement for:
Female Students Talented in Art, Writing or Music**

2022 Scholarship Competition

Three (3) \$1,000 Awards. One winner in each category!

Must be received no later than Deadline: March 12, 2022

Greetings Instructors and/or Scholarship Counselors,

We are once again pleased to offer three (3) \$1,000 scholarships to female high school students graduating in 2022, undergraduate college students or returning college students of *any age* who are talented in **Art, Writing or Music**, and who are continuing their education at a college or university in the **fall of 2022**.

Enclosed is a scholarship application from our Santa Clara County Branch of the National League of American Pen Women. Please make copies and give to your interested and qualified students majoring in these fields. The awards go to qualified applicants residing in Santa Clara County or immediate adjacent Bay Area counties.

If you need more information or applications please feel free to contact me. Thank you for helping us help deserving, talented young women in pursuing their educational and career goals.

Sincerely,

Luanna K. Leisure

National League of American Pen Women

Linking Creative Women

Since 1897

We are professional writers, poets, journalists, painters, sculptors, photographers, dancers, musicians, choreographers, art teachers, theater and film directors — and many other creative fields.

We are about 1,600 members across the United States in more than 60 branches.

Our Mission is to encourage, recognize, and promote the production of creative work of professional standard through outreach activities, provide educational, creative, and professional support to members and nonmembers.

Our core values are respect, knowledge, creation and preservation of the arts.
